C.S.Balasundram Iyer, Esqr., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

I have the honor to submit enclosed for the orders of Government copy of letter No. F.C. 238/19-20 dated 6th February 1920 with its enclosure received from the Offg. Deputy Commissioner Kadur District, in the matter of increasing the maximum period of 5 days allowed in Government Order No. G. 22226-8/P.P.66-18-229 dated 2-4-1919 for the portion of journey in the Kadur District in respect of carts going to Mangalore via Kottigehar Ookad to 8 days so as to allow the cartmen to take 24 seers of horse gram with them to cover their journey to and fro.

I have the honor to be
Sir,
Your most obedient servant,

B. Muthanna

For Food Controller and Director
of Civil Supplies in Mysore.

Letter No. F.C. 238/19-20 dated 6th February 1929 from the Deputy Commissioner, Kadur District, to the Food Controller and Director of Civil Supplies in Mysore.

In forwarding herewith for your kind perusal a copy of the letter dated 3rd instant received from Mr. C.H.Godfrey, Coffee Planter, Aldur, bringing to notice certain inconveniences experienced by his cartmen while passing the Ookad at Kottigehar to Mangalore owing to the quantity of gram now allowed for each cart being fixed at 15 seers, and requesting that the same may be raised to 30 seers etc., I have the honor to state that under Government Order No. G. 22276-87 P.P.61-18-229 dated 2nd April 1919, the maximum period fixed for carts going to South Canara is 5 days for this District and the quantity of gram, calculated at 3 seers per day is 15 seers for each cart which is sufficient only for one journey. The cartmen while returning will therefore have to purchase the gram required by them at Mangalore and they may, at times, find it diffcult to do so and be put to inconvenience. In the circumstances represented by MR. Godfrey, I think that some concession seems necessary in respect of the local carts going to the Coast. I would recommend that in the ~~course~~ case of such carts, the maxmium period of 5 days now allowed may be raised to 8 days so as to allow the cartmen to take 24 seers of gram with them to cover ~~th~~ their journey to and fro. The necessary Orders of Government may kindly be obtained in the matter.

Letter dated 3rd February 1920 from Mr. C.H.Godfrey, Coffee Planter, Alur P.O. to the Deputy Commissioner Kadur District.

=======

The cartmen who take my coffee to Mangalore complain very bitterly of the trouble given to them by the Police at Kottigehar who refuse to allow them to take more than 15 seers of gram on the border with them. For the 5 days down and 5 days back=10 days in South Canara, they cannot do with less than 30 seers which only allow 3 seers per day be the period. I therefore write to ask whether you can issue a permit for my head cartman Rangagowda to take with him 30 seers for each cart with him(the number of carts that he has is fixed by the Coffee passthat I issue to him and there is no likelihood of the carts filling up with more than they actually require as they are already carrying my full weights of Coffee. There is already the greatest difficulty in getting coffee down. I hear of many places that have so far failed to move a single bag. Now this trouble about the gram s seems likely to be the last straw. Hoping you may be able to help me. I think I am correct in believing that in the notification re export of gram, the power of issue" Special permits" was reserved to the Deputy Commissioners of Districts.
